## **A little note about Registration & Dismissal**

Dear Parent/Guardian,

We are so excited about this year's Snofun! The Staff has been planning and praying for months that this event will be meaningful and FUN!

Peniel is located at 336 Lake Tour Road, Lake Luzerne NY. The easiest route from I-87, north or south, is exit 21. At ramp-end, turn on State Route 9N south toward Lake Luzerne for 9.4 miles. Turn left on Read Park Road for .6 mile. Bear right at the fork to Lake Tour Road. The winter entrance to Peniel Bible Conference is about 150 feet on the left.

### **Registration is at 2:30 pm, first day of event.**

Park in the winter parking area (in front of the lodge) and bring all packed belongings, forms, medicines, and event balance money into the Lamplighter Restaurant, at the right of the parking lot entrance. This will help to cut down on pedestrian traffic in the parking lot during potential wintry conditions. The registration table will be set up in the dining room, where we'll complete the process. Our staff will help your camper(s) carry their things to the Lodge and settle them in for the weekend. You may escort your camper to the lodge, see the facility they will be in, meet their counselor, and say good bye. Parents are not permitted to remain for event.

### **Dismissal is at 2:30pm on last day of event.**

Each child will be carefully dismissed to their adult from the Lamplighter Restaurant . Although they may be a little soggy, your child's belongings will be packed, gathered, and ready to go.

**Please do not go to the lodge to get your camper,  
they need to be dismissed from our care and checked off our list.**

**Please contact us with any your questions and concerns you may have.**

Sincerely,

Peniel Management Team
