A Little Note about Registration & Dismissal

Dear Parent/Guardian,

We are so excited about this year's Camp Encounter! The Staff has been planning and praying for months that this event will be meaningful and FUN!

Directions

Peniel Bible Conference is located at 336 Lake Tour Road, Lake Luzerne NY. The easiest route from I-87, north or south, is exit 21. At ramp-end, turn on State Route 9N south toward Lake Luzerne for 9.4 miles. Turn left on Read Park Road for .6 mile. When you come to the road's next intersection, enter our campus directly ahead under the canoe sign. We'll be waiting for you!

Registration Day

Registrations & dismissal times will vary based on the event. Check the website to confirm.

Park in the summer parking area (in front of the Dining Hall) and bring all packed belongings, forms, medicines, and event balance into the Dining Hall, up the stairs from the parking lot entrance. The registration table will be set up in the dining room, where we will complete the process. Each camper will receive a basic health check and then our staff will help your camper(s) carry their things to their cabin and settle them in for the week. You may escort your camper to their cabin, see the facility they will be in, meet their counselor, and say goodbye. We encourage a positive and quick good-bye which tends to reduce camper anxiety.

Dismissal Day

Each child will be carefully dismissed to their adult from the summer Dining Hall. Your child's belongings will be packed, gathered, and ready to go from the dining area. Please do not go to the cabins to get your camper, they need to be dismissed from our care and checked off our list. At this time, you will also receive any remaining balance back from their Pop Shop account.

Please contact us with any questions and concerns you may have. See you soon!

Sincerely,

Peniel Management Team
